

COVID-19 ATTENDEE INFORMATION

Miami DevCon is working closely on a daily basis with local, state, and federal agencies to plan for a safe event. As a result of this dialogue and the recommendations of Miami-Dade Public Health, we are proceeding with the 2020 event with the health and safety of our attendees, staff, and volunteers as our top priority.

Yesterday, Mayor Steve Adler and Miami-Dade Public Health held a joint press conference to discuss the current situation around COVID-19. Please keep up with APH's FAQ.

Prevention tips from Miami-Dade Public Health include:

Washing your hands for 20 seconds and using alcohol-based hand sanitizer

When coughing and sneezing, cover mouth and nose with flexed elbow or tissue – discard tissue immediately into a closed bin

Avoid touching your eyes, nose and mouth with unwashed hands

Do not attend the event if you are feeling ill.

If you are experiencing symptoms consistent with COVID-19, call Miami-Dade Public Health at 3-1-1. If it is a medical emergency, call 9-1-1.

Miami Devcon FAQ

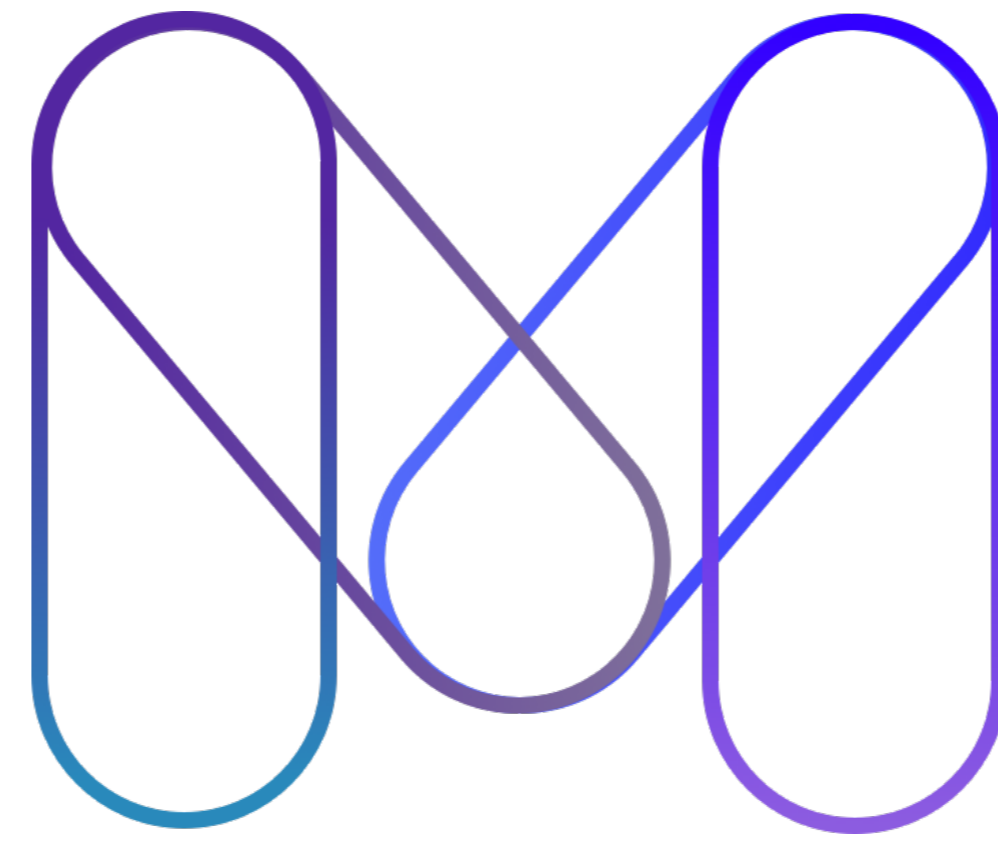

1. Businesses Continue to Operate, and so does Miami DevCon

We are following the recommendations of scientific and health agencies when making determinations regarding operations and precautions around the 2020 event. Safety is a top priority, and we continue to work with them on a daily basis. Restaurants, bars, clubs, theatres, stadiums, and other businesses that people patronize are still open and people continue to attend. Travelers from the U.S. and around the world continue to visit Miami daily.

At the World Health Organization press conference, Director-General Dr. Tedros Adhanom Ghebreyesus stated, "Our greatest enemy right now is not the virus itself. It's fear, rumors and stigma. And our greatest assets are facts, reason and solidarity."

2. What are the Current Preparedness Plans?

We are in constant contact with the local public health authority, Miami-Dade Public Health, and preparedness plans are ongoing.

COVID-19 ATTENDEE INFORMATION

Safety is a top priority for Miami DevCon. Currently, we are taking the following actions on-site: provision of disinfectant wipes and spray, hand sanitizer for common area spaces and activity spaces, microphone wipe downs, inclusion of Miami-Dade Public Health Disease Prevention literature, outreach to all meeting spaces, venues, and hotels.

3. How Will Preparedness Plans Impact Miami DevCon Participants?

Miami DevCon and Miami-Dade Public Health encourage the implementation of personal hygiene practices, including washing your hands for 20 seconds and using alcohol based hand sanitizer, when coughing and sneezing, cover mouth and nose with flexed elbow or tissue – discard tissue immediately into a closed bin; avoid touching your eyes, nose and mouth with unwashed hands; and stay home or in your hotel if you have a fever to help maintain the health of all event participants.

4. How Many Cancellations Have Occurred?

At this time, we have a minimal number of cancellations from participants. This includes attendees who were traveling from heavily affected areas, registrants whose companies have instituted travel bans, and those who have opted out due to personal preference.

5. What is Happening with Corporate Travel Bans?

We understand that some companies have instituted corporate travel bans. To our knowledge, only a handful have affected our event programming at this time, and we will update our schedule accordingly.

6. Where Can We Find Updates?

We are regularly updating our COVID-19 Response page with new information. Please check back regularly.
